

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT 2018-2019 AWARDING POLICY

The purpose of the Federal Supplemental Educational Opportunity Grant (FSEOG) Program is to provide grants to exceptionally needy undergraduate students - who have not received a bachelor's or first professional degree. All such students who apply, by completing the FAFSA, are eligible for the grant, regardless of enrollment status or dependency status.

The institution ensures that FSEOG funds are reasonably available to eligible students (to the extent of available funds) who demonstrate financial need. Funds are reserved throughout the year to ensure that no advantage exists for students enrolling early in the award year. To this end, the institution has established and published deadlines throughout the award year that students must meet in order to be considered for the grant.

Application Procedure:

Students make application by submitting completed 2018-19 FAFSA data to the federal processor via FAFSA on the Web or by other means and meeting with the Financial Aid Office by the published deadline. The deadlines are as follows:

New & Continuing Students in 185.....	July 23, 2018
New Students in 187	October 8, 2018
New Students in 191.....	January 2, 2019
New Students in 193.....	March 18, 2019
New Students in 195	May 27, 2019

Selection Procedure:

Students who meet the deadline are evaluated as to which of the following selection groups they belong:

First Selection Group - those who have the lowest Expected Family Contributions who are also eligible to receive Federal Pell Grants.

Second Selection Group - those who have the lowest Expected Family Contributions who will not receive a Federal Pell Grant.

Awards are made first to the First Selection Group and then to the Second Selection Group, as funds allocated for the quarter allow.

Timing of Disbursements:

Disbursements are made each term.

Award amounts:

Awards are made in the amount of \$300 for each term of the award year.
(approx. 5 terms per student)

Award Notification Method:

Students are notified as to their award amounts via a written Financial Plan.
